# Boom Mounted Snow Blower

Making the most of everything you have is what we do at Diamond Mowers. The boom mounted snow blower is just one of Diamond's latest Made-In-The-USA innovations.

***Transform your tractor boom mower into a snow blower.***

Clear snow with ease around fire hydrants, sidewalks, plugged culverts, ditches - and whatever else you need to maneuver around.

This versatile design allows you to exchange your mower for a snow blower quickly and easily so that you can make the most out of your equipment.

***ONE-YEAR WARRANTY ON PARTS AND LABOR.***

## DIAMOND'S SNOW BLOWER FEATURES:

- 42" x 42"
- Mounts to any Diamond boom
- Single stage fan design - works better than a dual stage, especially in hard packed conditions
- Fully adjustable spout to let you put the snow where you want it
