

CLEARANCE PARTS

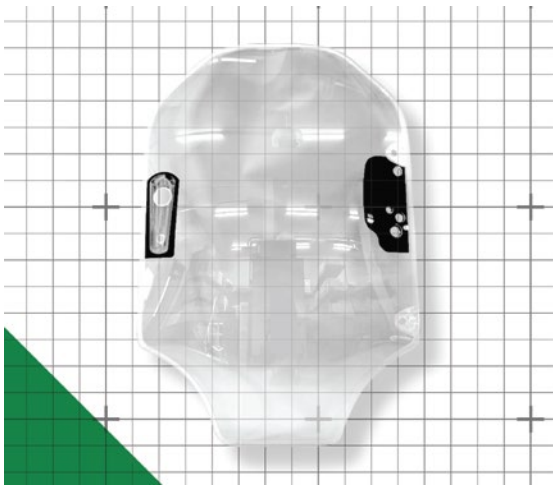

We're cleaning out our inventory of 3/8" thick polycarbonate Skid Steer replacement front doors*. Take advantage of these all-time low prices for your non-mowing or non-mulching needs.

THESE DOORS ARE A GREAT SOLUTION FOR:

- Concrete Breakers
- Grapple Buckets
- Rental Machines

*These doors replace the existing front glass, reusing existing hardware.
Limited quantity*

20-0533	All Case / New Holland	\$450
20-0543	Deere G and E above SN 269402	\$450
20-0550	Deere D and E below SN 269401	\$450
20-0556	CAT D series	\$450
20-0557	ASV Track Machines	\$450
20-0558	ASV Wheeled Machines	\$450
20-0560	Bobcat G series	\$450
20-0553	Kubota SVL	\$350

*3/8" safety door for standard-duty use only. Not for use with mulching, mowing, land clearing or other attachments with high-speed spinning parts that may create a flying debris hazard. Failure to follow proper safety procedures could result in death or serious injury.

A Hyundai 740 wheel loader mounting bracket is also available for \$1,750.
