# ALL-AMERICAN DISC

*Diamond's All-American Disc is the most efficient tool for extending road life.*

## GRADER MODEL

- Mounts to any side grader
- Provides greater stability and a longer reach

## 3-PT HITCH MODEL

- Mounts to any Category II 3-PT Hitch
- Floats independently of the tractor to better follow the contour of the surface being reclaimed
- Optional hydraulic swing for narrow transport width

## With both a Grader and 3-Point Hitch model available, the All-American Disc can:

- Remove berm along the roadside edge to aid in water runoff and prevent road damage
- Reclaim gravel that would otherwise be lost during grading, bringing tons of materials back onto the road — saving money and time
- Remove clumps of rooted material for a smooth transition from road to ditch
- Contour asphalt shoulders to increase road safety

## Specs:

- Attaches to any tractor with category II 3-PT hitch
- Rear mounted
- Includes hydraulic cylinder to replace the top link of the 3-PT hitch
- Disc blades = 22" diameter
- Weight = 1,390 lbs.
- One-year warranty on parts and labor
