

SKID-STEER FORESTRY DISC MULCHER

FAST. TOUGH. SIMPLE.

Reclaim your property.

Ideal for large mulching and brush management applications.

Attach and detach easily to your skid-steer / compact track loader to add versatility and productivity to your existing asset.

HARDENED STEEL TEETH

MULCHING DISC

+ CHAIN GUARD

Chain Guard reduces debris build-up for:

- Longer undercarriage life
- Quicker machine clean-up

+ Options available at an additional cost
